Subject: Chartered CASAC - Ethics Reviews for 3 upcoming CASAC Activities

Chartered CASAC Members,

Attached are Supplemental Ethics Questions that must be completed before starting work on any of the CASAC activities. We have 3 upcoming reviews (NOx/SOx/PM Secondary NAAQS Second Draft ISA Quality Review, Ozone IRP, and PM First Draft ISA). There is a separate form for each activity. Please answer each form with respect to the document under review as well as any publications or statements made regarding the respective NAAQS associated with those documents (i.e. NOx/SOx/PM Secondary NAAQS, Ozone NAAQS, PM NAAQS).

Please return the forms no later than Monday, October 22, 2018, to me and Wanda Bright (bright.wanda@epa.gov).
